

POCKETHEALTH FOR PATIENTS

# MyCare Navigator

Help your patients take the next step in their care journey with you.

**Keep patients engaged with your healthcare system.**

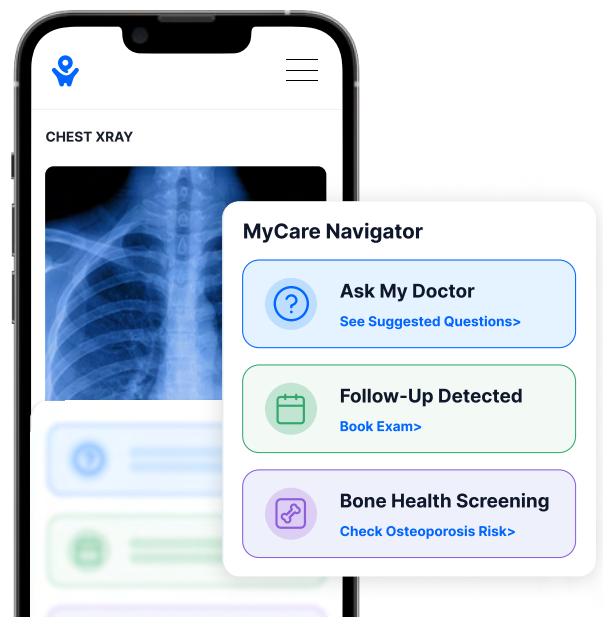

Increase follow-up adherence to save staff time and improve financial and patient outcomes.

Improve communication and build trust to develop better lifetime relationships with your patients.

Provide patients with screening tools that identify health risks and keep their treatment on track with you.

**94% of patients are more confident about their healthcare experience after using PocketHealth.\***

\*PocketHealth Patient Survey, 2023

*"I very much appreciate the information shared on PocketHealth since it allows me to be prepared with questions when I meet with my doctor to discuss the report and images."*

— Heather, Patient & PocketHealth User
